## Looking to the Future

The Center Theatre re-opened in August of 2006 and we wouldn't be here today without the support of our Members and the community.

In 2021 we opened a new 40-seat movie theater and have a renewed focus on bringing educational programming to the communities we serve. We're also open full-time with movies, live music, community events, plays and more. We want you to be part of the excitement - become a member today!

*Whether you are a summer visitor, a year-round resident, or just passing through, you should be a member of the Center Theatre!*
